

1.1.1-The institution plan and constructs the curriculum effectively and executes in a well planned manner by following university academic calendar.

NRI COLLEGE OF PHARMACY affiliated to JNTUK, strictly follows university prescribed curriculum. University provides academic calendar for both the semesters of a year, with date of commencement of class work, number of instructional weeks for completion of a semester syllabus with mid-term and semester end examinations schedule dates.

HOD's of each department produce a detailed time-table for the semester depending on the university academic calendar, under the supervision of principal. Number of classes for faculty will be according to instructional weeks provided in academic calendar. HOD's allocates the subjects to the faculty based on their expertise and experience. Time-table comprises of theory, practical, mini-projects, dissertation work, sports, value education and add-on classes; so that it makes sure that every student will be engaged in all the curricular and extra-curricular activities. Final year students have to submit their research based dissertation work according to the university academic calendar that will be guided by the expertise faculty of the institution. College comprises of fully equipped laboratories, with chemicals, glassware which is considered as heart of the course that develops the practical knowledge of students that are essential for their career. Mid examinations will be conducted strictly bounding to university academic calendar with prior notification of exam schedule to the students through college circulars. Internal assessment of marks will be displayed on notice board for students.

The Internal Quality Assurance Cell (IQAC) regularly monitors the curricular documentations and execution of institutional academic plan and passes insinuations to member of Management, Mentors, and HOD's headed by the Principal accordingly, which helps in smooth running and development of institution. Mentors will be allotted group of students to monitor the academic day to day performance of the student throughout his course. This individual care will help in improvement of student's academic performance. Faculty members prepare documents regarding comprehensive teaching plan according to academic calendar. Day-wise teaching will be recorded in the attendance register by the faculty, which will be assessed by the HOD of the concerned department periodically.

Minutes of meeting will be documented periodically that includes all the discussions about implementations of academic curriculum without any flaw. Institution amalgamates crosscutting issues applicable to Professional ethics, Human values, Gender, Environment and sustainability into the curriculum. The Feedback forms were designed and collected from stakeholders (Students, Faculty, Employers and Alumni) to evaluate and to improve the quality regarding administration, curriculum and other related issues.

The institution consists of updated resources and in numerous volumes of books in library to upgrade the learning knowledge. Faculty extensively uses smart class techniques to enable easy learning for the students. Institution conducts Seminars and Faculty Development Programmes for up gradation of efficient teaching skills of Faculty. Add-on Programmes, Career Orientation/ Skill development/ Employability/ Entrepreneurship Programmes and Value Education Programmes will be conducted as a part of teaching – learning curriculum for the students to impart curriculum and career based knowledge in them.
