

NRI COLLEGE OF PHARMACY

(Run by Sri Durga Malleswari Educational Society)

(Approved by AICTE & PCI - New Delhi: Affiliated to JNTUK, Kakinada)

Pothavarappadu (V), (Via) Nunna, Agiripalli (M), Krishna District, A.P., Pin: 521 212, cell: 9394686868

2.3.1: Student centric methods such as experiential learning, participatory learning and problem solving methodologies are used for enhancing learning experiences

It provides an effective platform for students to develop latest skills, knowledge, good behavior and moral values to make them promising pharmacist to the nation.

EXPERIMENTAL LEARNING

The college entered into an MOU with TRIVEENI FORMULATIONS to make students have experimental learning to perform their internship programme in QC, QA and production departments with respective their course.

The institute in collaboration with SHREE ICON PHARMACEUTICAL LABORATORY developed an internship programme for the students to improve handling of various lab equipments like HPLC, U.V SPECTROPHOTOMETER, GAS CHROMATOGRAM ETC.....

The college also has another collaboration with YONTUS LIFE SCIENCES to make possible of students participated in industrial visit, internships and handling of various equipments in multi disciplinary subjects related to course.

PARTICIPATORY LEARNING

In a classroom activity, the subject topics and the materials are provided to the students in advanced. Proper explanation on the given topic is carried out and thereby students have complete understanding on the subject.

Group discussions and debates were conducted for the students to give an opportunity to share their thoughts on the spot and to develop their skills in support of their opinions on relevant topics.

PRINCIPAL
NRI College of Pharmacy
POTHAVARAPPADU (V)
Agiripalli (M), Krishna District

Quizzes are organized for student participation at different competitive programs are conducted at other colleges and within the campus.

Students are encouraged to participate in seminars and conferences held at different organizations to develop technical skills while presenting papers, posters and oral presentations.

Students are encouraged to participate in various programs sponsored by AICTE, IPA, PCI, APTI AND UGC held at other organizations to uplift their career related skills.

PROBLEM SOLVING METHODS

The college entered into an MOU with BAPATLA COLLEGE OF PHARMACY to enhance academic interest between 2 institutions to promote research and exchange students to participate in conference, workshops and to utilize senior faculty as resource persons.

The college entered in to an MOU with V.V INSTITUTE OF PHARMACEUTICAL SCIENCES facilitates usage of academics infrastructure and faculty member on mutual basis.
