## **Report Form on GPAT/NIPER/PGECET Assistance For Final Year Students**

The NRI COLLEGE OF PHARMACY has successfully conducted this GPAT/NIPER/PGECET Assistance Career Counseling Program for the higher education of students. The Topics were covered, subject-wise by Departmental Heads, and materials for study and mock exam tests were conducted. This assistance was successful because this helps students to have knowledge of the percentage of marks per each subject and based on ranks college allotment was discussed in the meeting.

This program is been arranged by, our Y. A Chowdary sir (Principal) who helped students to enlighten this knowledge in their career growth and selection of POST GRADUATION Departments. This program was successful due to the cooperation between departmental heads and Students.

Students clarified their doubts regarding the pattern of exams, Scoring of grades, Eligibility criteria for reservations and such enquires have been raised by students. Overall, Session on Career Counselling went smoothly and we have a good response from the students.

## REPORT

**NAME OF THE PROGRAM: "QUALITY CONTROL OF TRADITIONAL MEDICINES"**

**DATE OF THE PROGRAM: 17.02.2021**

**Report Form on "QUALITY CONTROL OF TRADITIONAL MEDICINES"**

The NRI COLLEGE OF PHARMACY has successfully conducted this "QUALITY CONTROL OF TRADITIONAL MEDICINES" Program for higher education. The main of this program is to enhance the advanced methodology of traditional medicine concepts in the Human Care System.

This program is been arranged by, our Y. A Chowdary (Principal), who helped students to enlighten this knowledge in their career growth and selection of POST GRADUATION programs.

Herbal medicine provides patients with the knowledge to prevent illness, manage their chronic conditions, and promote healing effects, and the collection of extracts is also clearly described in the prior classes which helps students to analyze the research-oriented type of studies.

Heads also clarified the herbal medicine is safer when compared to drugs because drugs would have side effects, Hence "Herbal Remedies as drugs either have adverse effects and are not effective". This concept has triggered the students to understand extracts conversion into the formulation to treat the patient's chronic conditions.

Overall the session was successful with a detailed pattern of questionnaires from students.
