**Report Form on GPAT/NIPER/PGECET Assistance for Final Year Students**

The NRI COLLEGE OF PHARMACY has successfully conducted this GPAT/NIPER/PGECET Assistance Career Counseling Program for the higher education of students. The Topics were covered, subject-wise by Departmental Heads, and Study materials provided .

The outcome of this program was to assist students to understand the concept of nationalized Gratitute Pharmacy Aptitude test and detailed explanation on eligibility test for NIPER, with materials were provided.

This program has been arranged by, our Y. A Chowdary (Principal), who helped students to enlighten this knowledge in their career growth and selection of POST GRADUATION Departments. This program was successful due to the cooperation between departmental heads and Students.

Clarification on their doubts regarding the pattern of exams, Scoring of grades, Eligibility criteria for reservations and such enquires has been raised by students. Overall, Session on Career Counselling went smoothly and we have a good response from the students.

## REPORT

NAME OF THE PROGRAM: "MEDICAL WRITING".

DATE OF THE PROGRAM:01.08.2019

A.Y: 2019-2020

Medical writing Importance in the healthcare system is a program conducted at NRI COLLEGE OF PHARMACY in developing good writing skills which can provide collateral benefits to healthcare professionals they stand as a bridge between patients and doctors to explain the condition of a diseased person, the writer needs to be a good observer and pay attention to the aspects of the patients and make them adapt to the well informed and empowered knowledge on Medical terminology and understanding patients condition regarding their health care.

Their fore modern healthcare professionals should have good communication skills i.e., reading, writing, and speaking skills to communicate effectively and continue with patients and their related problems. So, this program has been inaugurated by Y.A. Chowdary sir who explained the importance of the study program and the speech continued with departmental heads.

This program has marked important aspects of the Medico-legal system that has observed a lot that poor documentation of the healthcare system results in harmful consequences in the delivery of quality healthcare to the patients. So, this resulted in the developing of Medical writing in Health care Professionals who are involved in Patient care, Clinical Study, and Lab research, conveying complex scientific concepts and Critical clinical information efficiently.

So, this venue leads the pharmacy students to master in their writing skills professionally which will aid in their public service or community service, also handling the healthcare systems analytically, and understanding their roles and responsibilities in the medical field.
