ABOUT THE INSTITUTION

Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the Zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy had added a feather to the crown of the Society by successfully placing its outgoing batch of dynamic young pharmacists in various esteemed Organizations.

VISION

To provide profound, diligent, magnanimity education in pharmacy.

MISSION

Involving faculty members and students in Research and Development to become globally competitive and for betterment of healthcare society. Providing Quality Education, Social Values, Professional Ethics, Developing Entrepreneurship values for the pharma Aspirants.

Report on FDP

Name of the Programme: A Five day FDP on “Research Prospects and Progress in Biological Science”.

Organized by: NRI College of Pharmacy

Date: 26.04.2021 to 30.04.2021

Resource Person: Dr. D. Sandeep
Sr.Assist. Prof, CHIPS-Guntur
Mobile no: 9963326571
Emailid: d_sandeep@chips.ac.in

Objective of FDP

The objective of this FDP is to promote the knowledge on novel biological techniques in isolation and purification of marine microbial products.

Outcome of FDP

Knowledge on various topics related to biological methods related to, genome sequence analysis for bioprospecting of marine bacterial polysaccharide-degradation enzymes, Proteomics analysis of Mycobacterium, Structural analysis of proteins using X-ray diffraction technique, biotechnological implications of hydrolytic enzymes from marine microbes and biodegradation of seafood waste by seaweed associated bacteria and application of seafood waste for ethanol production. Purpose: The FDP was conducted to provide knowledge on advanced biological techniques associated to marine microbes.

Conclusion: Knowledge on role of nano particles in isolation of marine microbes and advanced isolation and purification of marine microbes was clearly understood.

WHO CAN ATTEND

The entire faculty from NRI College of Pharmacy & other Pharmacy institutes faculty members

ABOUT THE INSTITUTION

Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the Zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy had added a feather to the crown of the Society by successfully placing its outgoing batch of dynamic young pharmacists in various esteemed Organizations.

VISION

To provide profound, diligent, magnanimity education in pharmacy.

MISSION

Involving faculty members and students in Research and Development to become globally competitive and for betterment of healthcare society. Providing Quality Education, Social Values, Professional Ethics, Developing Entrepreneurship values for the pharma Aspirants.

Report on FDP

Name of the Programme: Three days Communication Skills Development Programme for non-teaching staff
Organized by: NRI College of Pharmacy
Date: 5.4.2021 to 9.4.2021
Resource Person: R. Sridevi

Objective of FDP

Five days Communication Skills Development for non-teaching staff.

Outcome of FDP

The programme had major focus on communication skill and awareness about values of communication skills and necessity for their cultivation brought them into foreground of education field. Communication is recognized as basic social skill.

Conclusion

It is very useful to improve listening and speaking skills carefully.
